Swift Toilet Blocks

AUTOMATIC TOILET BOWL CLEANER

Swift Toilet Blocks clean, freshen and protect the toilet bowl with every flush. Each block dissolves gradually, helping prevent limescale and stains while leaving a long-lasting fresh fragrance.

HOW TO USE

1. Lift the cistern lid and drop one block into the tank, clear of the inlet and float.
2. The block dissolves gradually, releasing cleaner with every flush.
3. Replace when fully dissolved — about one block per month.

CAUTION

- Keep out of reach of children.
- Do not ingest.
- Avoid contact with skin and eyes.
- Wash hands after handling.
- Use only as directed.

Active ingredients: sodium dichloroisocyanurate, anionic & non-ionic surfactants, fragrance, colourant.
